

paddle box disguising set VW T5 long wheelbase 3400mm

Our item number: 266835012

Our vehicle specific wheel covers are the perfect addition to the standard wood floor or rubber lining. The special break resistant PE material from BASF secures your wheel arches against dents and scratches. The silver coloring gives the load area a pleasant look. The road noise is reduced. For the VW T5 long wheelbase 3400mm.
