zur Montage der Frontwinkel ist zuvor zeitweilig eine Klammer im vorderem Bereich zu befestigen. Diese wird dann im nächsten Schritt weiter hinten befestigt.

To mount the front brackets, a clip must be temporarily fastened in the front area. This is then attached further back in the next step.

13

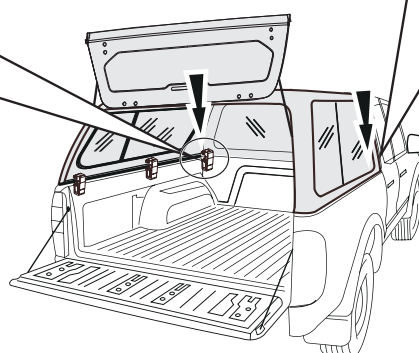

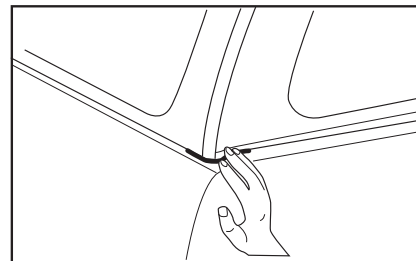

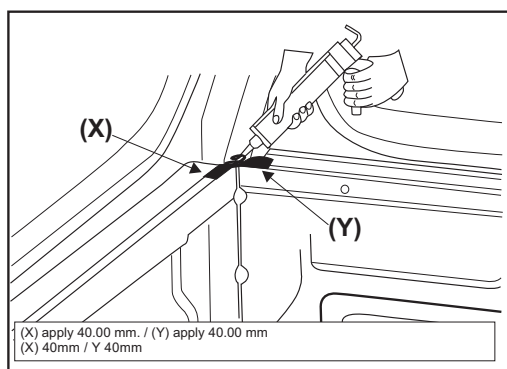

14

verwenden Sie Silikon oder Butyl Karosseriedichtmasse
(schwarz)

use Silicone or butyl sealing compound (black)

C-clamp 2 set+Front bracket

2 Paar Hardtopklammern
plus Fronthalter

Falls erforderlich stellen Sie die Schlösser der
Heckklappe ein (ACHTUNG Doppelrastung).
Einstellung erfolgt primär über die Schließbügel am
Hardtopkörper.

If necessary, adjust the locks on the tailgate (double
locking). The setting is made primarily via the striker on
the hardtop body.

WARNINGS!
