EVOe

Escape the work week and dive into weekend adventures with Mountain Top's Electric Roll Cover, EVOe.

Designed for those who love to explore, EVOe offers the perfect blend of security, style, and functionality to elevate your truck and your off-road experiences.

ELECTRIC BELTDRIVE

Designed with a patented electric belt drive and a dedicated soft-close mechanism the EVOe eliminates hard stops.

EASY-TO-USE REMOTE

The EVOe remote allows you to open and close the roll cover with the touch of a button.

EMERGENCY EXIT

EVOe comes with an easy-to-access exit handle, allowing for a quick release in case of a power failure or an emergency situation.

MADE TO BE ACCESSORISED

Built-in accessory tracks to accommodate Adventure Racks, Cargo Carriers or Sports Bars, with no drilling required.

EVOm

Escape the hustle and bustle of everyday life and embark on a family adventure with the ultimate protection for your Amarok - with Mountain Top's Manual Roll Cover, EVOm.

Rigorously tested to withstand extreme conditions worldwide, the EVOm guarantees the security and safety of your gear.

FORM MEETS FUNCTION

EVOm offers design, functionality and quality in one single product.

MORE CARGO SPACE

A minimised canister design allows for maximum storage space and helps reduce the overall footprint of EVOm.

NO EXTERNAL HANDLE

With no external handle or keylock, the EVOm protects the truck bed from any unauthorised access.

INTERLOCKING ALUMINIUM SLATS

The EVOm's unique hinge design and powder coated aluminium slats are 100% knife proof, keeping your gear safe and secure.

CARGO CARRIERS

Get ready for the ultimate road trip experience with Mountain Top Cargo Carriers.

These rugged, stylish carriers provide you with extra storage space, so you can pack all your essentials and hit the open road with ease.

From camping trips to off-roading excursions, our Cargo Carriers are the perfect accessory for your truck.

EASY TO INSTALL

Utilise the fitting channels in the side tracks of the Mountain Top Roll Cover.

HOLDS CARGO IN PLACE

Cargo Carriers are lockable and fitted with rubber strips to keep cargo in place whilst eliminating wind noise.

FUNCTIONAL DESIGN

Functionally designed adding an additional layer of practicality. Making it easy to load cargo safely and securely on top of the truck.

ROBUST & DURABLE

The Cargo Carriers are constructed from strong lightweight aluminium, which is built to withstand the elements.

CARGO SLIDE

The Mountain Top Cargo Slide allows for easy access to the entire truck bed and extends the practicality of your pickup truck as a whole.

The Cargo Slide fits smoothly under the Mountain Top Roll Cover allowing for quick access to all your cargo.

MANUFACTURED TO BE USED

The Cargo Slide is constructed from strong, yet lightweight aluminium profiles designed and tested for carrying up to 300kg of load capacity.

INTEGRATED TIE-DOWN

The Cargo Slide can be further enhanced by adding the optional sidewalls, to keep parts in place or eye bolts to secure your load with straps.

EASY HANDLING

With a simple push and pull on the ergonomic handle, the slide lets you reach your cargo while staying in an upright and comfortable position.

CARGO SAFETY

For safety and convenience, the Cargo Slide has multiple locking positions.
